## Community Membership

## Join Community Energy Scotland

Community Energy Scotland is Scotland's **only national charity** dedicated to supporting communities across Scotland to develop their own renewable energy projects.

[www.communityenergyscotland.org.uk](http://www.communityenergyscotland.org.uk)

## Who are we?

Community Energy Scotland is Scotland's **only national charity** dedicated to supporting communities to develop renewable energy projects. We are also a social enterprise, providing communities with free advice, support and assistance with their projects. Over the years, our team has supported more than 1500 community groups across Scotland, resulting in real direct benefits for their local communities.

## Why join Community Energy Scotland?

By joining us as a Member, you are getting connected to a growing Member network, driving the movement for local ownership of energy, helping to create strong **local energy economies**.

## Are you eligible to join?

If your organisation is community-based and does not distribute profit, then you can join as a Free Member. Our Members include development trusts, hall committees, sports clubs, playgroups, care homes, lighthouse trusts, skateparks, swimming pools, and many other community organisations and charities.

## What's Membership about?

Membership of Community Energy Scotland is FREE to all eligible community organisation. Through membership your organisation can benefit from:

- free **legal advice** helpline (one hour per query)
- free **financial advice** helpline (one hour per query)
- opportunity to **network and share experience** with other Community Members
- opportunity to partner us on **joint funding bids**
- our monthly **Members' Bulletin** with news from the sector
- **us representing you** on issues that matter to you eg. funding, grid access, FiT changes
- **nominating a director** to our board
- **voting rights** at our AGM
